

By the end of the KS2 children will:

- Have experience of using body percussion, instruments and voices to perform and compose musical compositions
- Be able to identify a range of instruments by ear.
- Listen and copy rhythmic patterns and keep a steady beat
- Talk about feelings created by music and compose music in response to music
- Create, rehearse and present musical performances in front of audiences
- Perform a range of songs and sing in parts where appropriate
- Plan and compose music using notation

Respecting each other through composition
