Please note that clubs are subject to change both days and running times throughout the course of the academic year. Please check with the school office for the most up to date version if you are in doubt as to the availability of a club. All clubs are run on a first come first

served basis and the email address quoted is the contact for the club. We try and offer as many free or low cost clubs as we can, however where there is a charge for materials or coaching that the school cannot subsidise then this fee is passed back to parents/ carers.

Our clubs are often run by volunteers and do not necessarily run every week of the term. They may be cancelled at short notice if the member of staff is unavailable as we do not have capacity to run the club in any other way. The clubs are not meant as a childcare option and cannot be relied upon in this way. If consistent childcare is needed please look at ACE Club who are able to do so (more details on the Out of School page on the website).
