Dear Parents and Carers,

This morning your children will have found out who their class teaching team are for next year. They have spent time with them this morning getting to know them a little and meeting their classmates.

We understand that this is an exciting and anxious time for children and families. You have worked with the current teaching team for a year and built those relationships up throughout that time. We really value how important those relationships are to you and us. Hopefully, your child has come out of today feeling confident and happy about next year. They are bound to have more questions.

Please encourage them to ask their current class teacher or let us know directly and we will do our best to address these before the end of the year.
