

July 2025

To Parents/ Carers,

**Parents Evening this week – new dates**

You will have seen that OFSTED will be visiting our school over the next two days. The inspections last from 8am to 6pm and may involve talking to staff at all levels. Unfortunately, this means it is not going to be logistically possible or practical to hold Parents Evenings meetings on Wednesday this week. We have re arranged them as follows:

Monday 14<sup>th</sup> July: Cherhill

Tuesday 15<sup>th</sup> July: Years 3 – 5, Woodhenge and Liddington

Please keep the appointment time that you have. We know that this might not be convenient and we will endeavour to re arrange appointment times where we can.

**LEGO Club**

We are also going to cancel lego club this week for the same reasons.

If you haven't done so already, please can I ask you to complete the OFSTED parents view, the link is here: <https://parentview.ofsted.gov.uk> . We have had some wonderful comments about our school after Friday's Celebration Event for instance, and we would really like to share this with inspectors.

Thank you for your support.

With warmth

*Hilary MacMeekin*
