

September 2025

Dear Parents/Carers,

NJS Maths Evening Tuesday 30th September 5 – 5.30pm.

We are excited to invite you to our upcoming Maths evening on **Tuesday 30th September from 5 – 5.30pm**. This is an excellent opportunity for you to gain insight into the teaching and learning of maths at Noremarsh and in Key Stage 2 (KS2).

Parents have told us before that maths can be a daunting subject for parents for lots of different reasons. We know that the way maths is taught in KS2 can often be very different from the way that parents have been taught it in the past. During this short session, you will be able to take part in discussions about maths at our school. You will be able to ask questions, and we encourage you to share your thoughts and experiences with us. Importantly, we will also let you know how you can help and support your child with maths at home.

The session will start at **5pm** and will finish at **5.30pm**. We understand that attending during the evening hours may not be feasible for everyone, so if this is not possible please do just let your child's class teacher know who will be able to point you in the direction of resources to help you.

Please complete the Microsoft form link here <https://forms.office.com/e/8b6ASa0R63> as soon as possible to confirm your attendance and no later than by lunchtime on Monday 29th September.

Thank you for your continued support, and we really look forward to welcoming you to this session.

Best wishes

Ms Sharp
Mathematics Lead and Y6 Teacher
