Dear Parents/Carers,

### **Year 6 Parents Meetings**

This year we are trialling a new approach to parents meetings in year 6. We are building additional sessions on Thursday 6<sup>th</sup> November between 8.30am and 5.30pm to discuss further, your child's achievements and where we can work together to support their learning to not only be successful in the KS2 assessments, but also as they move on to their secondary education.

During these 15 minute sessions, with your child, we will be looking at ways we can work together at home and at school to help them to be ready for the challenges of the year ahead and for their next steps in education at Secondary in September.

As usual, please log into School Cloud to book your appointment time. You can access the link here:

I look forward to seeing you.

Yours sincerely,
