

11<sup>th</sup> March 2026

Dear Parents/Carers,

We have been working on Oracy at Noremarsch for some time now and are really proud of the impact this is having across the school. Our children are increasingly confident and articulate. They are able to build on and challenge the ideas of others with respect and understanding.

To give them an opportunity to showcase this with you we would like to introduce “Bring and Brag” sessions for parents, carers or grandparents. We love inviting parents in to see the children’s work - as we do for art galleries and our whole school book weeks. Bring and Brag sessions will build on this. On Friday 27<sup>th</sup> March, the children will have chosen a piece of work they are SUPER proud of to share with you. We invite you to come in to class at 9.15 that day and spend 10 min talking to your child about that piece of work - ask them questions, find out why they are so proud of it? What have they learnt that they will use in their next piece of work? Challenge them: What would they do differently next time?

At 9.30 there will be coffee and tea in the hall with SLT if there are any questions or feedback you have about school.

We would really like to make these sessions a regular occurrence - there are GREAT things happening at Noremarsch and we want to share them with you.

With Warmth

Hilary MacMeekin

Headteacher
