

June 2026

Dear Parents and Carers,

Half day closures Tuesday 23rd Wednesday 24th and Thursday 25th June due to amber and red heat weather warnings.

Following on from today's update, we are writing to let you know that due to the current heat warning and in the interest of the health and safety of our children and staff, Noremarsch will be closing early on Tuesday, Wednesday and Thursday this week at **12.45pm**.

Temperatures are expected to remain unusually high, and despite our best efforts to keep classrooms cool and comfortable, it has become necessary to shorten the school day.

Please make arrangements to collect your child at 12:45pm. If your child normally walks home by themselves, please confirm with us that you are happy for them to be released early by emailing the school office on esherwood@njs.ascendlearningtrust.org.uk or by emailing your child's class teacher.

Children at H5 on Tuesday will be back before 12.45pm and can be collected along with the rest of the school.

Additionally, there are no out of school clubs running this week.

We will continue to monitor the situation, and I must warn you that if the red extreme heat alert stays in place there is a possibility that we will not be able to open the school at all on Wednesday and Thursday. We will let you know as soon as possible if this is the case.

Our Celebration Event is also due to be this coming Friday. Whilst we would really like for this to still go ahead as the children have worked hard on their performances, this may also be postponed.

We appreciate your support in ensuring everyone remains safe during this period of extreme weather. Should you have any questions or concerns, please contact the school office.

With Warmth

Hilary MacMeekin
