

July 2026

Dear Parent/Carer

This week we are once again expecting high temperatures, we are doing everything we can to remain open and will update you with communication as the week progresses.

Wednesday 8th July is our re-scheduled celebration assembly. Disappointingly, there is a chance this will need to be cancelled as it is just not safe for children to perform in the afternoon sun. We will continue to check the weather and communicate our final decision tomorrow.

Parents evenings are currently still running in person but will be in the rooms with air conditioning, as follows

- Woodhenge Classroom – Woodhenge & Avebury
- Waylands Classroom – Waylands & Barbury
- Hackpen & Liddington – Library

If the temperatures continue to rise, we may move these online. If this is an issue for you, please let us know.

Additionally, we will understand if any of our Year 6 parents choose to cancel their appointments, with the SATs results being delayed.

With Warmth

Hilary MacMeekin
