

June 2026

Dear Parent/Carer,

With the forecast high temperatures, we have been actively looking at alternative solutions to avoid having to close the school partially or fully.

Mrs Ellis, the headteacher at RWBA, has kindly offered us 2 air conditioned classrooms for Thursday and Friday. With this offer we will then be able to keep all children in school.

As such we are relocating the year 5 classes to RWBA for the remainder of the week. If possible, we would like the children to go straight to the academy for 8.45am on both days and meet their teachers outside main entrance.

Due to parents' evening on Thursday we will finish at 2.50pm to allow staff time to walk back to school before the first appointment.

On Friday we will finish at our normal time of 3.15pm.

We appreciate that this may pose logistical challenges. Please complete the questions on the forms link below to let us know:

- Whether your child will arrive at RWBA or Noremarsch at 8:45am (We will then walk any who are unable to go directly to RWBA).
- How they will be travelling home at the end of the day.
- Whether they will need a grab bag lunch.

<https://forms.office.com/e/9mVzhqvnVT>

We have been allocated a set area for playtime and lunchtime and the children will be together, with our staff for the duration of their time. The children at RWBA will be made aware that we are coming.

With Warmth

Hilary MacMeekin
