Dear Year 2 Parents and Carers

Welcome to Noremarsch Junior School !

I would like to take this opportunity to welcome you warmly to our school.

As you know, during this academic year, I have been regularly visiting the year 2s to share stories and answer any questions they might have, so I have already had the privilege of meeting many of your children. When I spoke to them they were all very excited about starting and could tell me lots of things they were looking forward to – particularly playing in our wonderful grounds and seeing old friends who are already at Noremarsch. It was lovely to see them integrated into our community during our Sports and Wellbeing week and joining in with all of the events.

Belonging is one of our school values and we hope that this and the rest of our induction process has laid the foundations for that. Noremarsch is an incredible place to work, learn and grow. We hope that you and your child see and feel that when you join us and we are very excited to welcome you all in September.

Enclosed is a Microsoft Form that needs completing to help with the transition. We would appreciate having it completed as soon as possible and by the end of month so that we can be sure we have the most up to date information for your child and their family:
